Susan Miller Dorsey

In the town of Penn Yan, New York, on February 16, 1867, one of the greatest women in the history of the Los Angeles City Schools was born.

From 1898 to 1929 Mrs. Dorsey served as teacher, principal and superintendent of our schools. During this period she contributed greatly to the welfare and progress of California education.

We shall always remember this great woman, not only for the many things she contributed to the Los Angeles Schools, but for her love and understanding.

Trygve Lie

At a time when the future of the world is at stake we turn to the United Nations for guidance. As Secretary General of the United Nations, Trygve Lie stands in the middle of the conflicts that divide the world. Rightly named "The Watchman of World Peace," his immediate aim is to promote peace among the many nations of the world.

It is with hope in our hearts for peace in the world that we dedicate the 1951 Circle to Mr. Lie.

Personnel Board

The Personnel Board plays a big part in helping the students with their problems and attempting to make correct adjustments.

The Board, in order to help new students with their problems, sponsors noon sock hops and plans assemblies for both boys and girls. The new students are given special assemblies to help them get adjusted and to tell them about community life.

Mr. Walter Larsh and Miss Mary Howard sponsor the board, and with their fine backing the Personnel Board will always try to make Dorsey students satisfied with their school.

An honor which each boy looks forward to when he comes to Dorsey is being able to have the scholastic leadership and service achievements that make him eligible for the Knights.

The group assists all the new boys with their programs and helps them to get acquainted with Dorsey.

At all of the special assemblies one will find the Knights ushering. They give a great deal of help to the P.T.A. meetings.

The Knights are considered one of the top honor organizations in the field of service.

The Ladies is a girls' honorary organization at Dorsey. Membership in this organization is the goal toward which all Dorsey girls strive, but only those who show outstanding leadership scholarship and service attain their goal.

The main duties of these girls consist in supervising the parties for all new girls and ushering at special affairs and representing the Dorsey student body.

A girl who has been a Lady can justly feel that she has done her share to make Dorsey a better school.

Student Achievement

ALICE ALEXANDER

Alice Alexander is an Editor of Trial Flights. She has won two inter-scholastic poetry contests and has sold material to popular magazines. Her big project out-of-school is the compiling of a high school anthology.

AMERICA AND THE POET

One of these times we'll meet in combat,
You with your complex parade grounds
Of egotism the whole world loves;
And I utterly alone, scratched
From the briars that guard towers,
In which the princess wakes by a kiss...
And when you have killed me, my revenge
Will be the dying of swans mysteriously.

STREET SONG

Life used to hold such promise
it does not any more.
Once the invisible mountains
rose from the steep shore,
where now the crooked alleys
twist in the dark heart,
while elegance and pleasure
titter and depart.

Youth was a time for pleasure:
hope used to keep us young
The past was a day of leisure;
now its a heap of dung.
Now the kids in the city
loiter in groups of four,
passing the time at the corner,
Life is a dying bore.
Mostly they talk of money
or long for a car
Life is no longer funny
They don't know where they are.

INTERSTATE TRANSIT

Living down Oklahoma way
Was a family named McGee.
A cyclone came along one day.
Now they live in Tennessee.

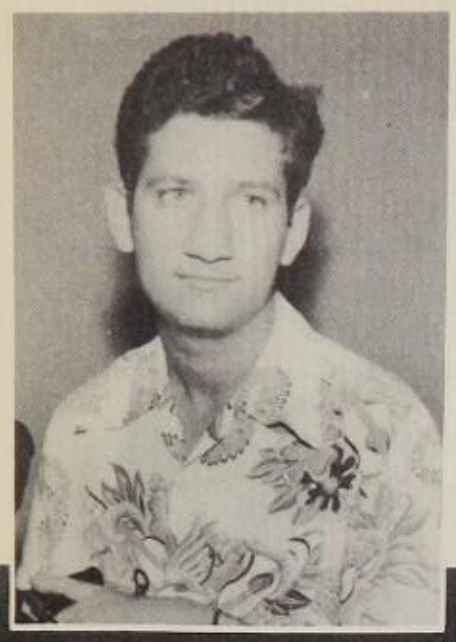
INFLATION ADVICE

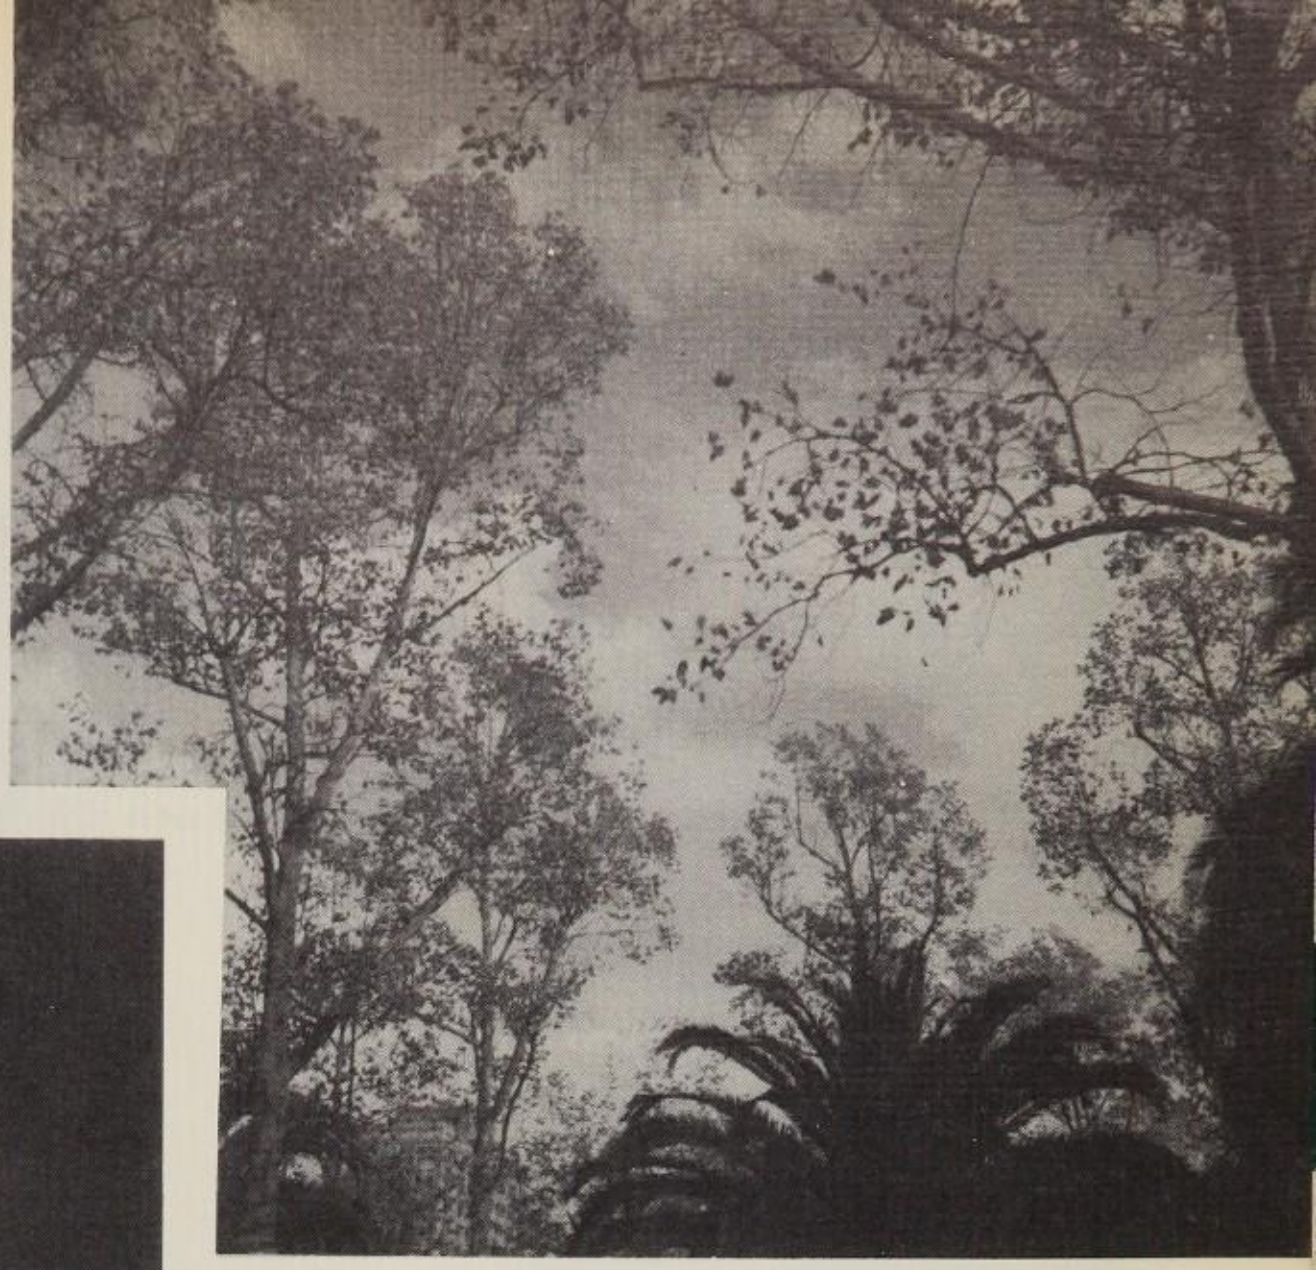
Burial costs have risen;
The price of embalming fluid is high;
Morticians charge more money,
So wait a while before you die.

SANFORD BERMAN

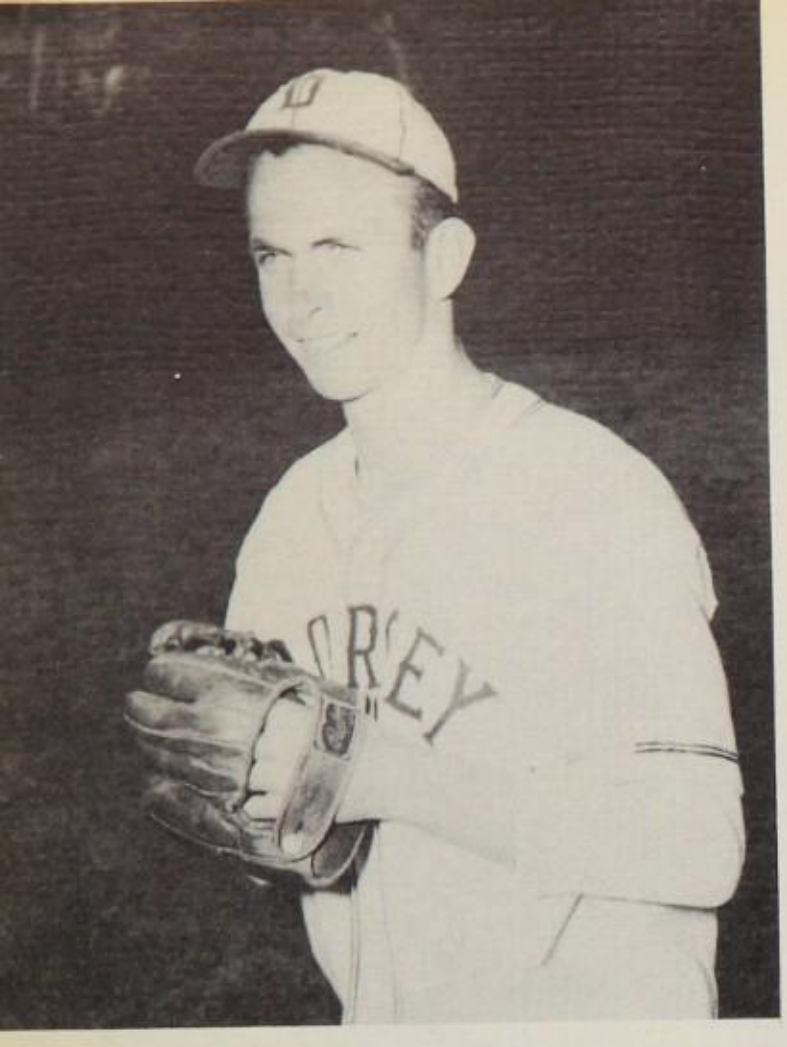
Sanford Berman is an Editor of Trial Flights. He writes humorous poetry and has sold many of his pieces to household magazines.

BEN BOROK





Ben Borok, Winner of Scholastic Awards, Photography, New York. Ben has won seven Certificates of Merit in the Scholastic Awards Contest, and two scholarships. Included here is a small portion of his prize-winning work.



EDDIE PALMQUIST

Eddie Palmquist, Dorsey's two year starring pitcher earned the title of Player of the Year. He also made the All-City team. Eddie is an all around athlete—playing on Varsity Basketball, another one of his accomplishments.

One of the newest and most vital clubs at Dorsey this year is the Dorsey Christian Fellowship. The president of the club for 1951 was Carnegie Calian.

CHAIRS

Sit down
The chair is a child
Who when company comes
Evades you at the moment
You laugh—knowing all the while
You have ruined your stockings.

Won't you sit down?
The chair is a friend
Warm, personal
Holding out a welcome hand
You relax, and with a thankful smile,
Accept.

Be seated now.
The chair is an old maid
Upright, straight laced, stiff
In it you cannot relax a moment.
You too, must be upright, straight laced.
You long to be free from her aching conversation.

Flop
The chair is a teen-ager
Casual, bright, gay.
Never seeming to grow old
Always eager, never empty
Because it is youth.

Upsidaisy
A swing to a throne
A perch from which to view the kitchen
Baby of the chair family
Trying to be big, like a child on stilts
The highchair with the Pink Bunnies.

Take your choice
And sit down.

MYSELF

I, being myself,
Am neither great
Nor small, big
Nor little,
Not any one thing
Or its opposite
Or even average
I sing no haunting cry,
No song of passion
Or of beauty,
But of myself—
Incomplete,
Unfinished,
Lacking.
Of my body—
Short, feminine,
But crude,
Strong without true strength,
With open chinks
Of vulnerability.
Of my mind—
Grasping, questioning,
Filled with the trivial things.
Of my other being—
Lovingly called my soul,
Entangled in
Contradictions.
Like all of my Self—
As yet a common product
With rough edges,
Aching for a sandpaper
Of age.

—By Alice Alexander

G.B.S.

The cryptic voice is dead
The active body calm
The fertile mind is still
The burning soul is gone.

He labored long, he labored hard
He laughed and worked and played
His politics were strange
His love affairs, platonic.

But through it all he spoke
And demolished his fellows
At a stroke . . .

"JACKSON"

Now diamonds are indeed very hard.
But so is glass. Still glass will crack and diamonds won't.
That's probably why diamonds bring their price.
I wouldn't say it is a wrong thing to
be hard, provided you can stay hard never cracking like
the glass we spoke of. Now if you will freeze
your heart and sour up your belly then
you musn't wilt to sunshine sweetness when
it comes down to that final test. These
tough men that melt at death are the weakest sort
I know. They're cowards, really, but afraid
to say so. Perhaps that's why old Andy Jackson was
so great a man. He had the look and temper of a frozen
and forsaken corn-stalk; rigid, cold and gnarled.
His heart was whale-bone; his soul was fashioned after
a collar-button. Jackson was just hard, there's no
denying. And he stayed hard right up until
the last. For when the Lord gave Andy one
last breath . . . a final chance to break; repent;
forgive before the last end, he gave a spit of plug
tobacco and he weakly wheezed,
"I shoulda hung Calhoun and shot Hank Clay.
Jist too damn bad I never got to it!"

The Dorsey Secretaries compose an outstanding group of girls in the Commercial Department who are of great help and service to the Dorsey Community. Their duties are typing letters, mimeographing ballots, addressing circulars, and performing many other secretarial tasks.

Print Production

This group is responsible for the printing of the Dorseygram, school programs for graduation and assemblies, office forms, cards, hall passes, posters and other school printed material.

As we see, this group is one of the most important organizations on the Dorsey Campus.

Public Speaking

The fall of 1950 saw but one veteran performer returning from Dorsey's great squad of the previous year—Bill Van Alstyne. So the primary job of the coach was to start building. From the material at hand there was little hope for any kind of standard showing in inter-school contest. We failed to place in either the fall Speech Teacher's Assn. Festival held at Eagle Rock High School or the state-wide U.S.C. Invitational Tournament.

A few capable speakers were uncovered for second semester debating as the result of an intensive inter-class debate tournament. Bruce Fitzgerald and Dave Randel won with Marc Brenner and Gerald Lowdermilk taking second. Extemp speakers showed fairly well when over 30 speakers talked to 11,000 pupils in Dorsey's Community Chest Area.

The spring semester is largely one of service clubs oratorical contest. Currently Dorsey is engaged in the annual American Legion Contest with Don Poyres, Ed Lambert, Don Enholm, Bill Van Alstyne and John Bourne. Entered in the Lions Club Contest be-state-wide (won by Bill Van Alstyne last year) are William Wittenberg, John Bourne, Don Enholm, Don Telec, Lillian Tobey, Larry Nilson, Rodney Supple, and Brad Pischel.

The great Hearst contest on Americans of disctinction is in the offing with no tryouts yet having been held. It is believed that the present speech efforts at Dorsey will provide the several needed speakers who have and know team spirit about whom a squad of able speakers can be built.

Varsity Football

Dorsey started out in its spectacular season by downing Hamilton to the tune of 12 to 6. In this game Rex Benham, Nate Leanse, Bill Doss, Doug Brockert and Joe Lucostic showed a preview of the expert teamwork and outstanding playing with which they sparked the team to a one loss season. In the next game we clobbered a spirited Uni. team 20 to 0 and started making a name for ourselves. The Dorsey eleven stomped L. A. 22 to 6. Eddie Holland, Dick Henderson, and Bud Liets were the big guns of this game running the opposing team ragged. Don Hi met a strong Hollywood high team on the losers field next and blotted them out 42 to 0. Don Grall, Harry Ellis, and Selwyn Ginsburg showed very well in this game. The next game, our only loss of the season, was lost through no fault of Dorsey's famed eleven stompers. They played their hardest against a very strong Venice team, but in the end were beaten by 10 points. The Don hoppers came back in the next game against Fairfax with a fighting spirit which could not be denied and won a berth in the Milk Bowl by beating them 25 to 6. We played Fremont in the Milk Bowl and made a good showing. This good season was made possible for us because of the expert coaching and help of Mr. Bill Lauerman and Mr. Gerald Burchard.

Dorsey 13
Hamilton 6

The first league game of the season was a near tie; until a 68 yard run by Ed Holland in the last two minutes of the game broke the deadlock. The Hamilton gridders kept the game at a tie score, but the Dons continued fighting for a tally and finally put the game on ice to get the 1950 season off to a roaring start.

Dorsey 20
University 0

The Dorsey eleven hurled a rough game at the Uni gridders to the tune of 20-0 at Rancho. The Dorsey team played a terrific game against the Warriors who boasted many returning lettermen. Our backfield featured many running plays throughout the game, which were sparked by our backs Holland, Singer, Lucostic, Grall and Leanse. The standouts on the line were Benham, Brockert, Doss and Robinow.

Dorsey 22
Los Angeles 6

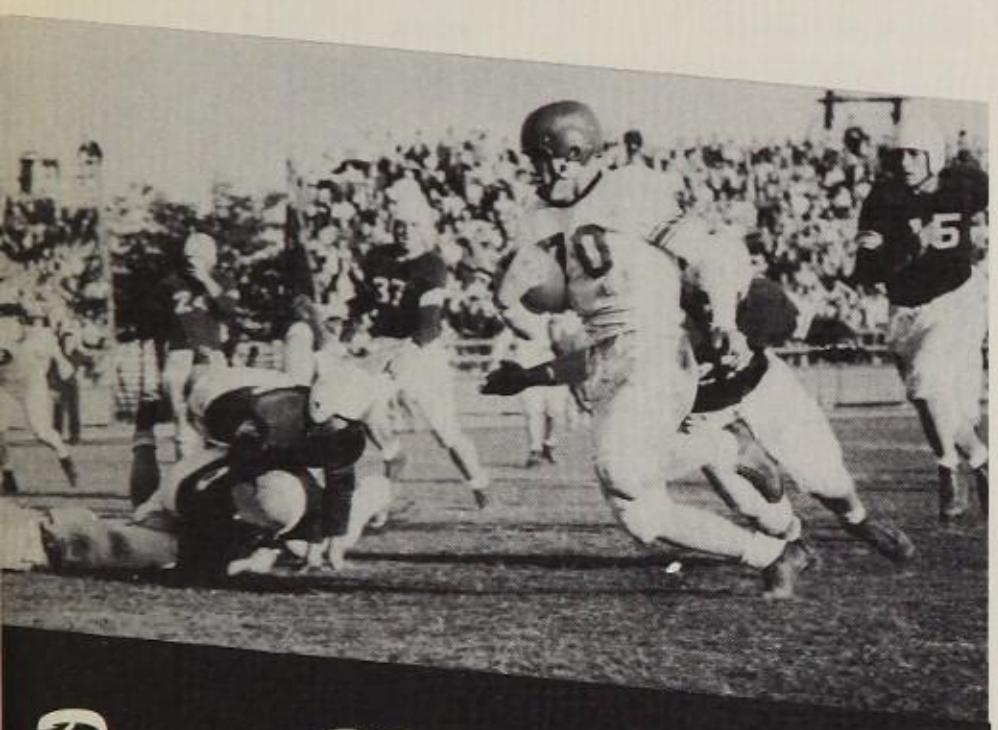
The Don Varsity crumpled the L. A. eleven 22-6, with a merciless running attack at Rancho.

We spotted them their 6 point score by fumbling on our 36 yard line to them. Then they scored in two more plays to rack up their lone score. That was about all for L. A., and Dorsey took over: Rex Benham, Doug Brokert, Dick Holliday and Harry Ellis played most of the game with lots of fire.

Dorsey launched a devilish ground attack against the Shieks of Hollywood to chalk up another win.

The scores were had in the third and forth quarters of the game. One spectacular touchdown play was made by Rich Henderson who snatched the ball right out from under the Shieks noses for a 6 pointer. Outstanding players were Singer, Ginsberg, Henderson, Leanse, Grall, Doss, Brockert and Benham.

Dorsey 12 — Hollywood 0

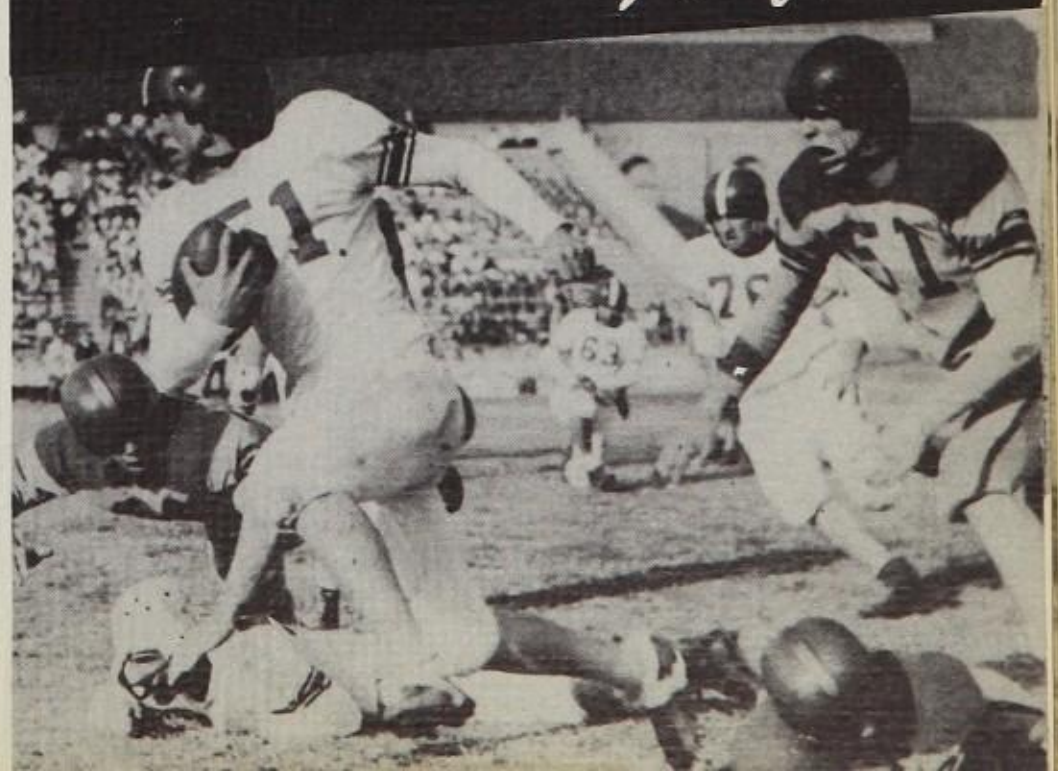


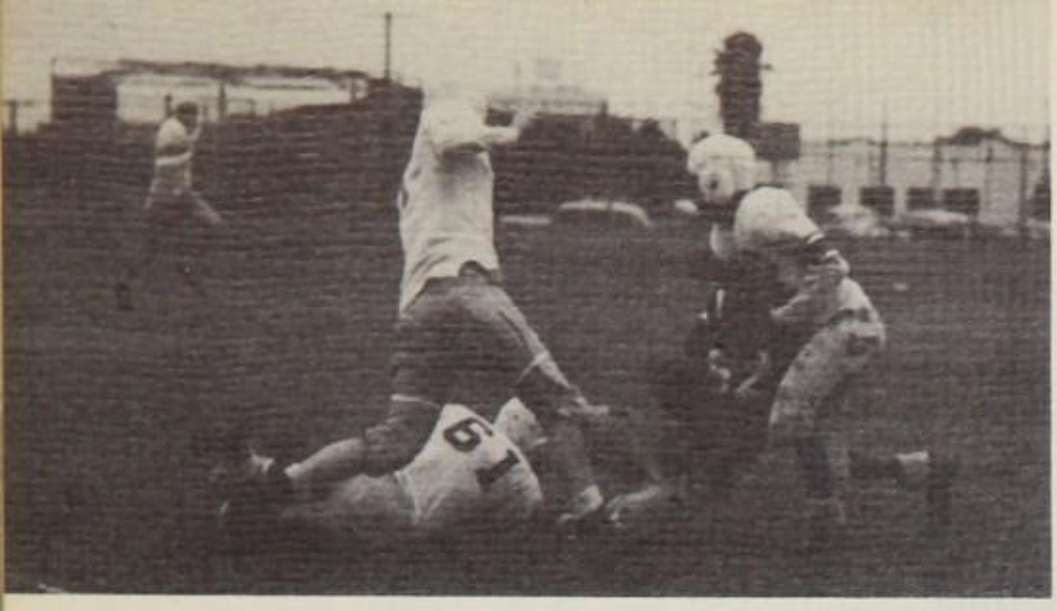
Dorsey 25 — Venice 35

Our unbeaten Dons met a stone wall at the hands of Venice, who trimmed us 35 to 25 at Rancho for our first loss of the season. Venice scored 3 of its 5 touchdown by pass plays. The Don eleven was weak in the air, the terrific running and drive of our backfield which was lead by Joe Lucostic and Nathan Leanse tallied up a fine score for us.

The Dorsey 11 met their last opponents, the Fairfax Colonials. Only to beat them in their usual way putting us in second place league standing. The great running power of our backs showed no mercey on the Colonials as the fighting Dons racked up several scores. Outstanding players of the game were Leanse, Singer and Ginsburg.

Dorsey 25 — Fairfax 6





DORSEY 0—L.A. 18. The Midgets lost their first game to a strong L. A. eleven at Los Angeles High School. The Dons showed very well but couldn't quite master the Roman "Bees."

A Season of Dorsey Victories and fine Sportsmanship

DORSEY 31—FAIRFAX 14. Dorsey's light weights battled it out with the Fairfax Bees at Rancho on the final B game of the season. This naturally is another win chalked up for the Dorsey Bees. Tom Weber quarterbacked the team in a brilliant manner. Other standouts were Luther Green and Gerald Lowdermilk.

DORSEY 31—UNI 0. The Bees clobbered a weak University team by a high one-sided score. The Bombers had college form in this game and it seemed that nothing could stop them. Luther Green, Bobby Edwards, Frank Caramelli and Sandy Malnick headed our attack.

DORSEY 6—HAMILTON 0. Phil Dano brought spectators in the stands to their feet when he tallied for the bombers early in the second quarter. This touchdown broke the back of the Hamilton Midgets and the brilliant play of all-league Frank Caramelli, Warren Apply, Bill Hudleson, Sandy Malnick. Luther Green's line plunges also helped a great deal.

DORSEY 25—HOLLYWOOD 19. The Dorsey Bees met the Shieks, on Rancho and racked up another win in the Dons favor. There was a tie score until the last minute of the game when Frank Carmelli passed in his usual good form to Malnick who blasted his way into the end zone to break the tie and lead Dorsey to another victorious stomp. Standouts for the Dons were Hudelson, Green and Appley.

Varsity Basketball

This year's Dorsey basketball team was loaded with sophomores who will have two more years to displace their wares for the Don casaba team. With only one returning letterman, in Eddie Palmquist, the team looked for not too bright a future. So it was up to returning Bee lettermen and tenth graders to make up the balance of the squad. Ray Lasonsky, Bee letterman, and three sophomores by the names of Bill Consolo, George Anderson, and Gordon Sherrit were among the starting five. The hopes for the future looked great with the four former men returning along with the stars of our Bee team which Coach Kidder hopes will be the nucleus to a championship team.

Bee Basketball

Donhi's Bee Basketballers closed a very successful season by winning a great majority of their games. Quite a few of their losses were by one point and were decided in the last minute. The team was made up of former cee and dee basketball stars and a few returning men who had not lettered. Those who lead the scoring parade were Floyd Smith, Julius Lacey and Ronnie Ex, these and other squad members will probably move up to the varsity and will help them out a lot.

Not enough can be said about our Varsity Baseball team; the members were by far the greatest aggregation of high school baseball players this city has ever seen. With Ed Palmquist and Billy Consolo leading the way it was expected that the team would climax their second unbeaten season as city baseball champs as they were last year. Coach Bud Brubaker and the school can be very proud of the team that has represented this school so well.

At the time this annual was going to press it could be said that the Bee Horsehiders were having a very successful season. We wish to thank all you Dorsey Dons and Donnas, for you are the 1951 Circle. Your activities are recalled. Your pictures make up the pages.

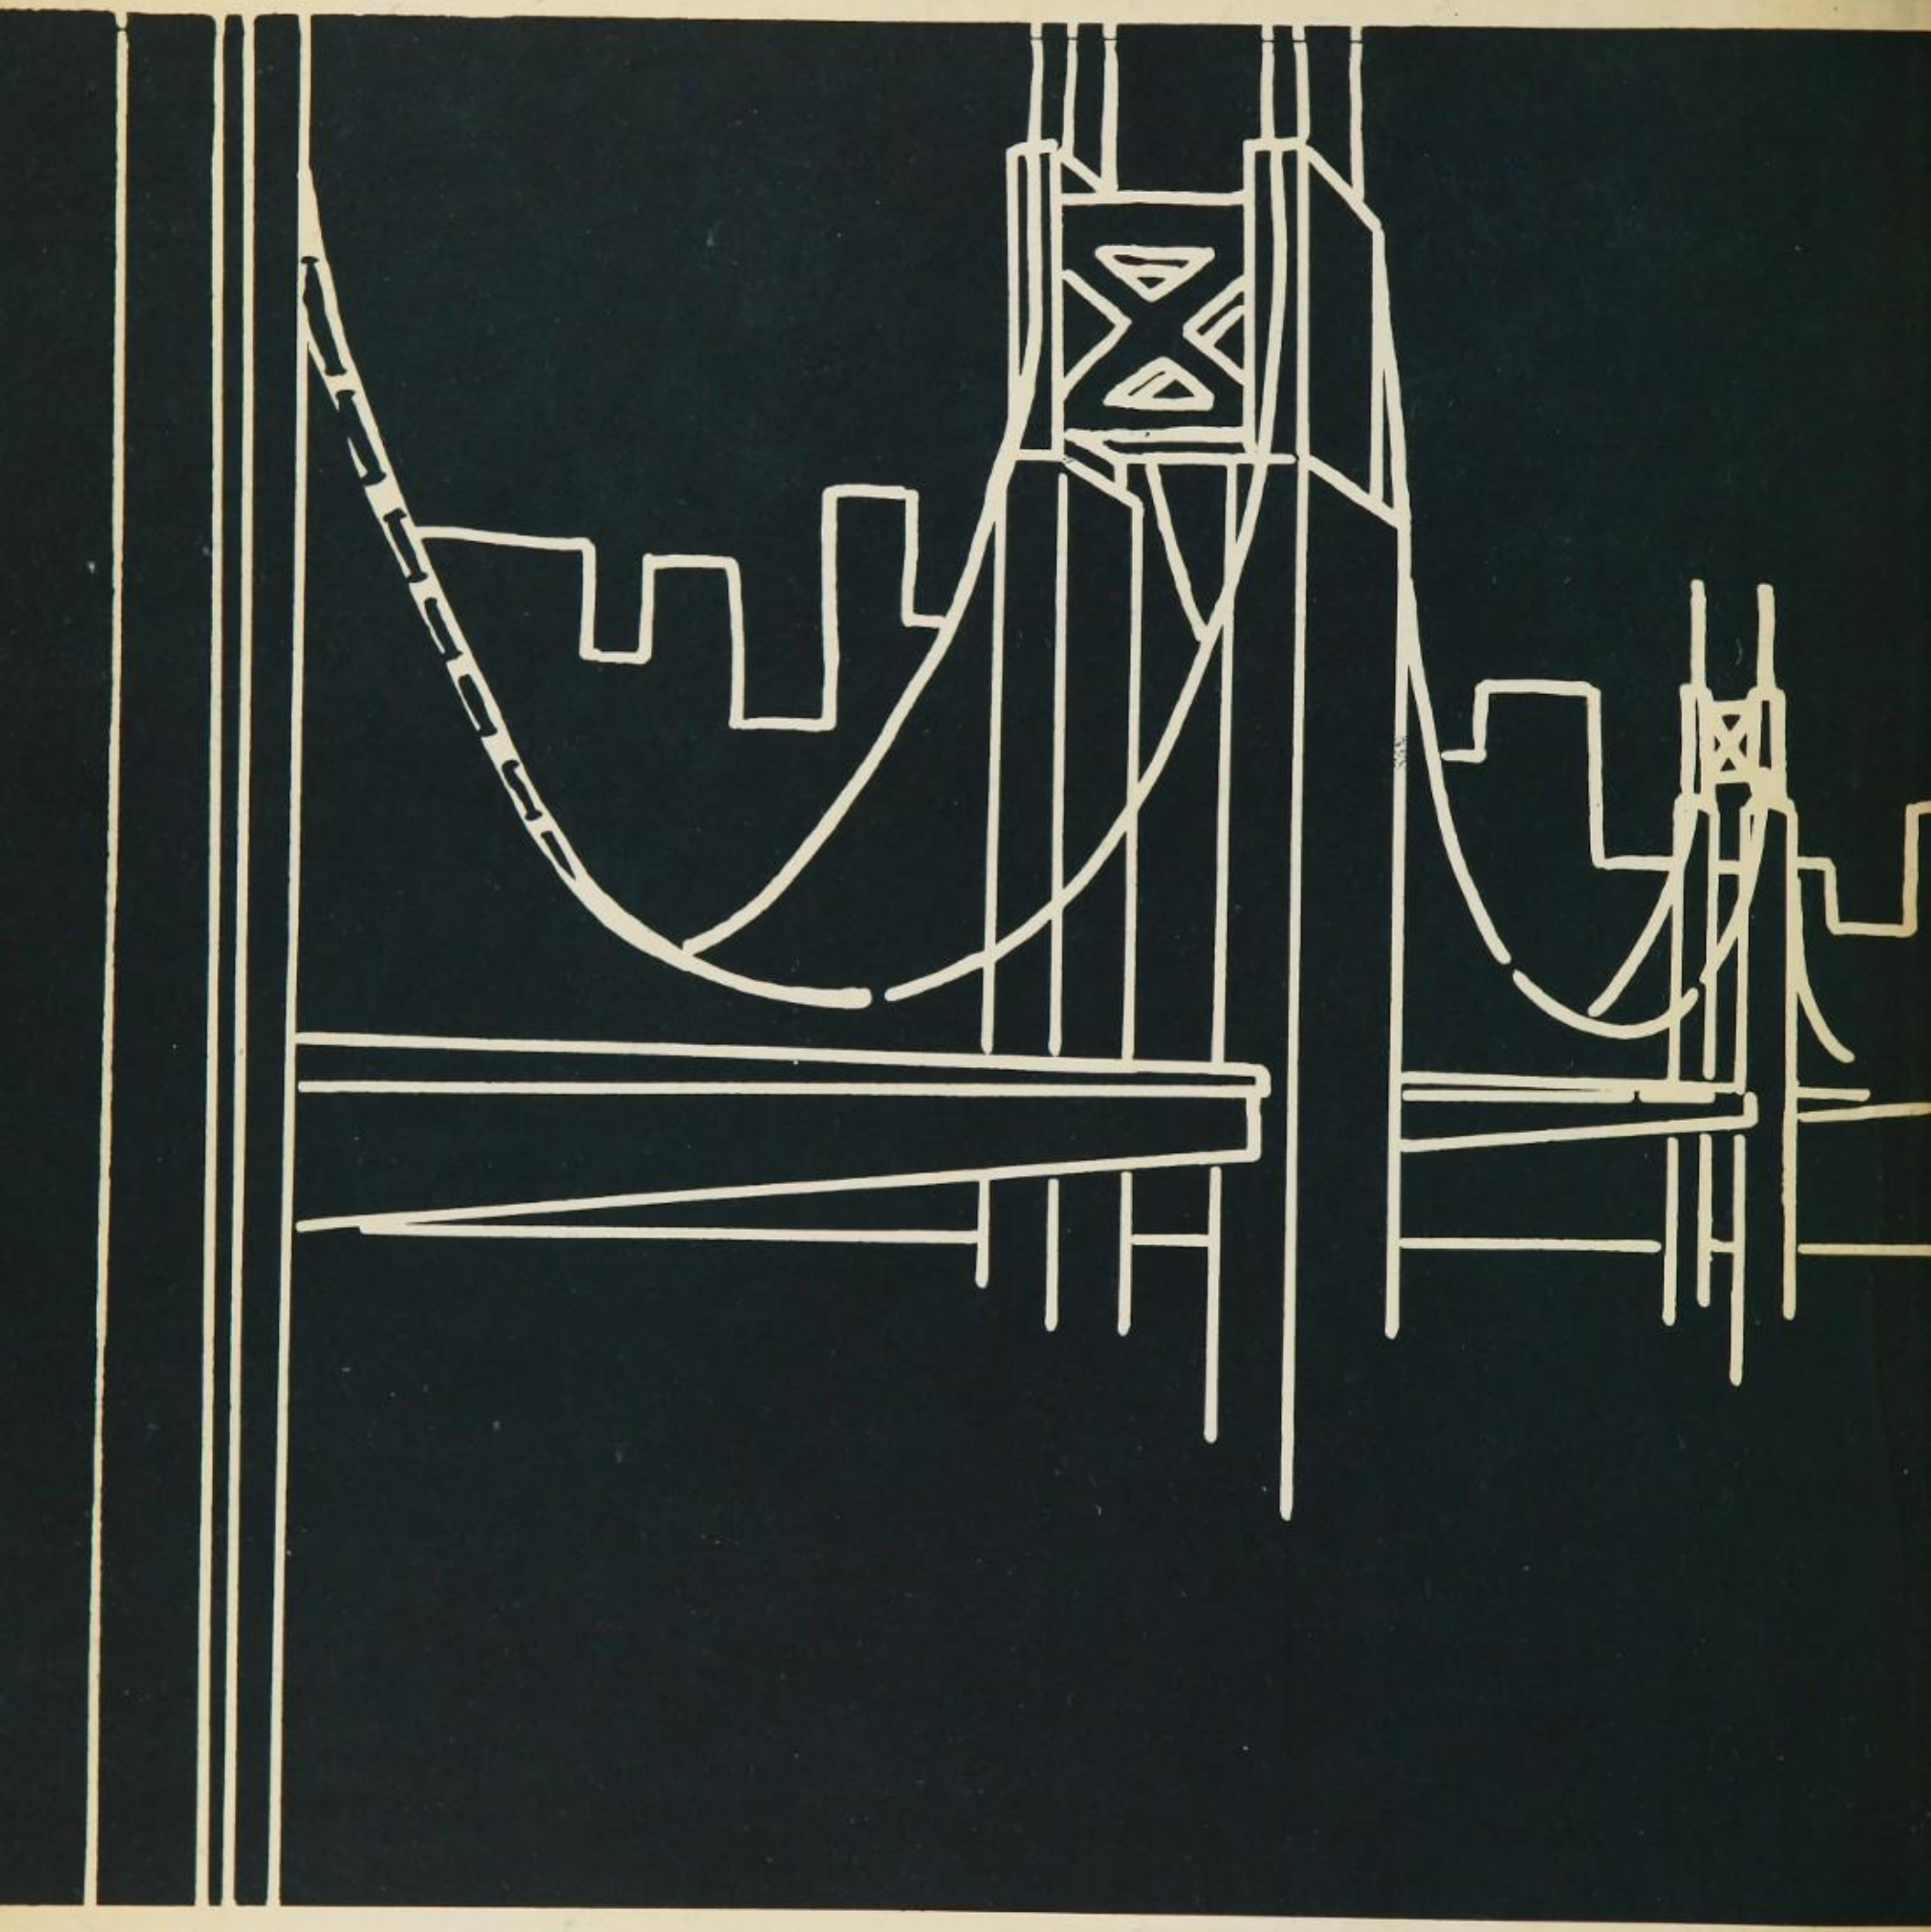
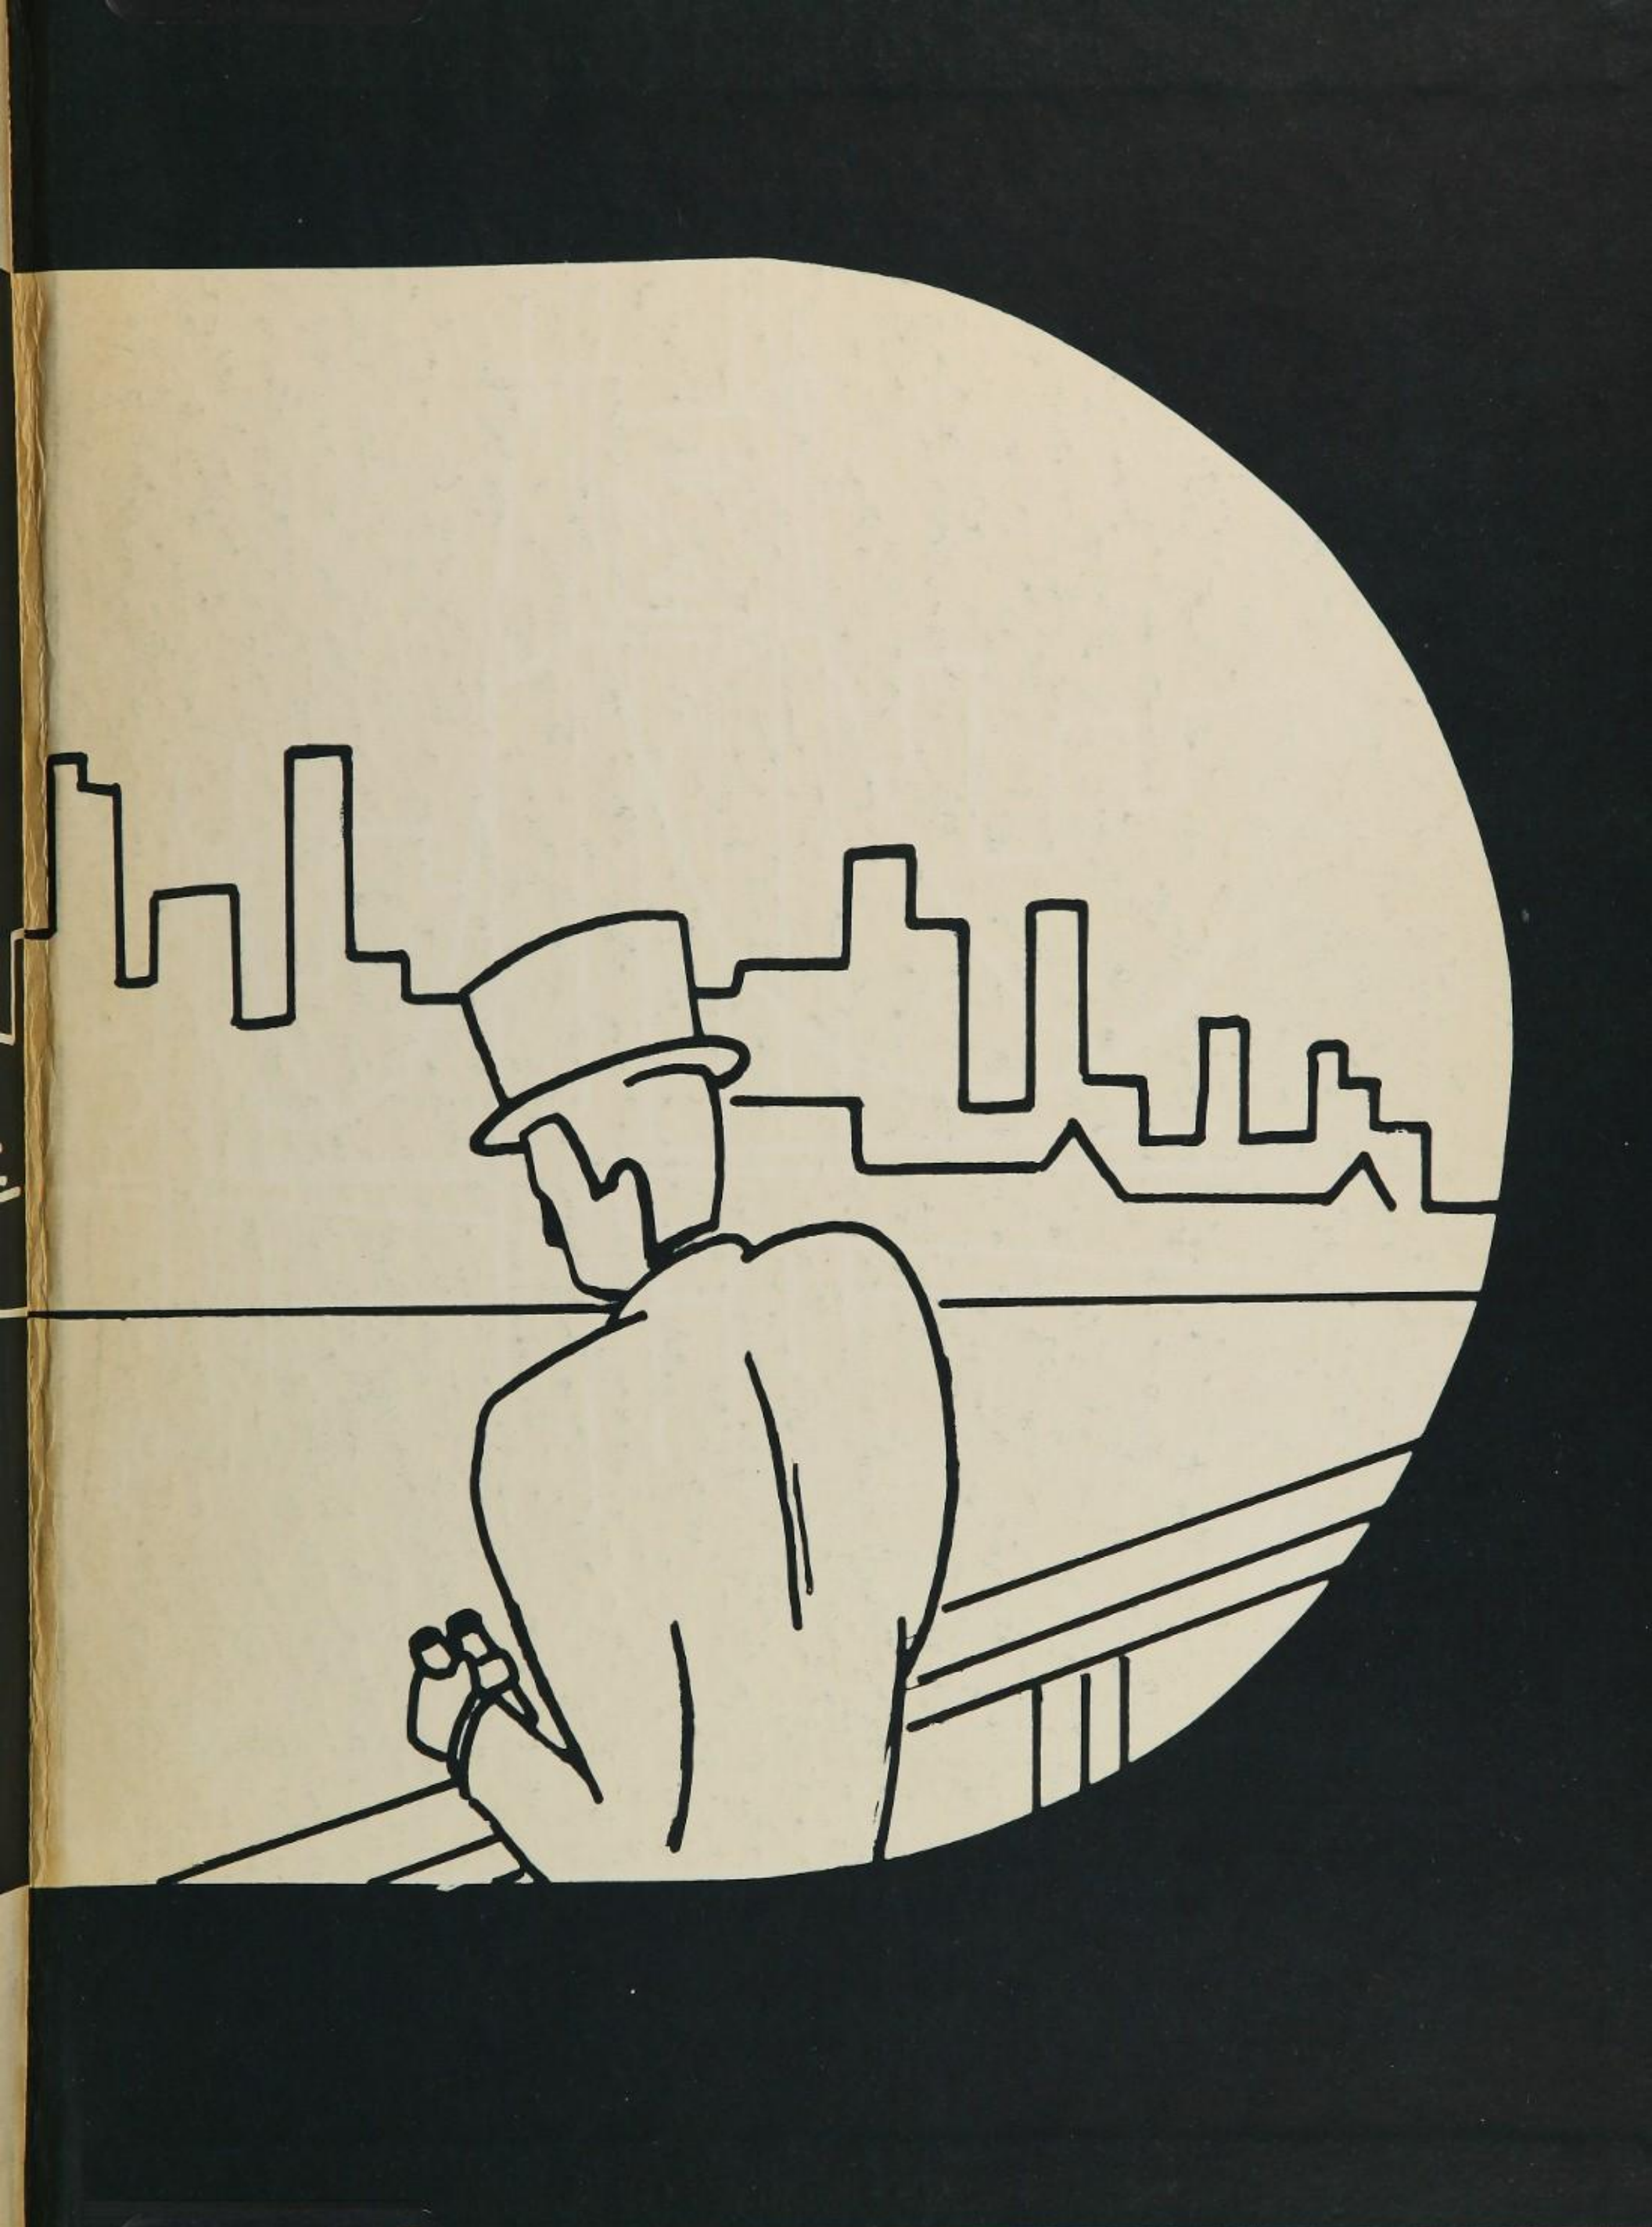
This year we have tried to make the Circle a record of words and pictures of the persons and places that constitute the Dorsey Campus.

It is a book, we hope, to bring back memories.

'51




You are now leaving Dorsey for whatever the time to come holds in store for you. You stand at the frontier of life, your whole futures stretching out before you. But however your lives and dreams are molded, each o you will always be a vital link of an ever expanding circle of Dorsey Alumni and friends.
